Windy Wheels newsletter July 2006

Stuff we are working on

- use and administration of the blue bike lockers at Railway stations
- bikes on trains and buses
- footpath widening on the Terrace reducing room for cyclists on the roadway
- consideration in the South Coast Aquarium proposal, of the needs of cyclists for provision on the roads to and from the aquarium.
- need for improvements to the Ngauranga Gorge footpaths and Old Hutt Road cycleway - numerous safety issues
- the possibility of starting a 'bike buddy' programme, where experienced riders accompany newbies
- modernising CAW's structure to increase effectiveness, participation and reduce administration

Makara Loop speed limits drop

CAW made a submission on the speed limits around the Makara Loop: Makara Hill Rd, Ohariu Valley, also Middleton road in Glenside. WCC subsequently decided to lower the speed limits to 50 -60km/h.

North Wellington Public Transport Study

CAW submission [here](#) (27 kB Word doc). Thanks Lou.
