Broadgreen Intermediate cycle cage – 60% of kids bike to school!

Bikewise Family ride - Mayoral Challenge 2006

Engineers and advocates out on bikes together!

i Nelson CYCLE and WALK map

By 2008, Nelson will have 30km of off road cycleways and walkways

STAND OUT - Wear bright clothes and helmet. Use reflectors and lights
LOOK AFTER YOURSELF - Be sensible & drink responsibly

SHARE THE PATH

Move off path when stopped

Warn when approaching

CYCLE HELMET Cyclists must wear an approved cycle helmet. Most helmets should be purchased properly in your local and must be securely fastened.

RIDING ON FOOTPATHS is a legal activity on the footpath unless there is a signed cycleway.

DOGS Some of the off road cyclepaths shown are designated dog-wash areas and dogs are allowed off the leash. Owners should keep the dog under control but please ensure extreme caution when riding in these areas.

BIKING and WALKING: "We've been doing it for years!"
 Good for you • Great with friends • Safe for our environment.

Just had a near miss?
 Just seen a bike crash?

Bikewise family ride – Mayoral challenge 2007

Bikewise family ride - skills

Lifecycle

of course you can cycle

Cycling and Maintenance Courses

Helping adults get back on their bike

Do you:

- Want to return to cycling and get fitter, but need more confidence?
- Have little experience and want practical tips?
- Want advice on bike and helmet safety?
- Notice petrol prices are starting to bite?
- Want to ride with children/grandchildren and need advice?
- Want to know how to fix a puncture or chain problems?

If you answered YES to any of these, then adult cycling courses are for you.

Two courses available in Motueka from
Monday 4 December 2006 10am-12 noon.
Courses are FREE

For more information and to register your interest phone:
Marianne Draijer - 544 5501 or email cyclingcourse@xtra.co.nz
