

CRITICAL MASS

The last Friday of every month

RIDE A BIKE—NO EXCUSES

Puke Ariki Landing 5.15pm

For cyclists it's **safety in numbers**, If you like riding your bike, think that more people on bikes and less behind the wheel is a good thing then join the Friday rides and civilize our city.

Critical Mass is a **spontaneous, leaderless bicycle ride** that occurs on the last Friday of every month in almost every major city in the world. It is regarded as a celebration of self-powered transportation as opposed to a protest organised demonstration.
