Hutt Road Upgrade

Get on with it!

Big promises

CAW, HCN and LSA working

What we expect

Those pesky car parks

Gradual change

Fix Hutt Rd now

The alternatives look interesting.
But they are 3+ years away, unfeasible, or \$\$\$.
A gold-plated solution *instead of* any other Welly cycleways? No thanks.
Let's see this solution built this year.

Island Bay Community Re-engagement

Surprise!

A divided community and a happy press

Lessons learned

"These workshops have been a healing process already"

Island Bay cycleway nail in coffin for Wellington dairy owners

Screenshot of the Wellington City Council Transport Projects website. The header includes 'Transport Projects' and 'Wellington City Council' with navigation links for 'Home', 'Current projects', 'Upcoming', and 'Why'. The main headline reads 'We're investing in our transport network'. Below this, a sub-headline says 'Find out about our planned transport projects and share your views so Wellington's transport network is safer and more convenient for everyone.' A yellow banner section titled 'Latest developments' contains a link to 'Consultation on the Cobham Drive proposal' which is open until 5pm Tuesday 4 April.
