

Update from Kapiti Cycling Inc

BY: John Baldwin & Lynn Sleath

Our new expressway – the good news

**18 km of high
quality shared
pathways**

Roadworks and cyclists – not good enough

**Our latest
campaign – A link
with Otaki**

**Sharing with 5000 vpd at 100 km/hr?
Pushing for an off road pathway.**

Getting a link with Otaki

9000 vpd here after the expressway is built.

NZTA said “we won’t be able to fund widening this bridge. It doesn’t meet the criteria for urban funds”.

Our latest campaign - NZTA finally agrees

Extend the Kāpiti cycle route to Ōtaki!

Community ride/ walk to Pekapeka

Saturday 23 March

Ride: 1pm Te Moana Rd Waikanae, near new route

Walk: 2pm Harrisons Garden Centre, Peka Peka

Other activities

- Council's \$5M programme from UCF
- Liaison on developing pathway network
- Reviewing road safety matters
- 30 km/h slow zones

Thanks for your attention
