Agenda

1. Go By Bike Day Bebrief

600-700 people

Thanks to all those gems who started at 5.30am (eek)

Thanks to all those volunteers who helped before, on and after the event – your ongoing contributions would be greatly appreciated!!!

Good things

Not having a bank was a good idea and the bike music worked well

New venue worked well – Wellington Waterfront people were fantastic!

Zero waste event

Things to do better

Need more than one bike mechanic (thanks to Julian for getting the lovely boy who did come!!)

CAW Dr Bike stand needs replacing!

More advertising of the zero waste thing needed to inform participants that everything is compostable

Things still to do

CB to write brief report, sponsorship thank you letters, invoice for phone calls, finalise accounts so that her fee can be arranged **CB to action**

Inputting email addresses into Friends of CAW: PM, CB, TH, JB kindly volunteered to enter addresses in the spreadsheet that IK has sent them. The thordon quay people have to be informed of the consultation asap. **PM, CB, TH and JB to action**

IK to email Alan with previous waterfront share space issues and any additional share space info.

2. Love to Roll

Fantastic event 150 attended. Thanks to all those involved

3. Greater Wellington Bikeability workshops

These were successful. Thanks to those who volunteers to take them – more money for CAW to do things with. **PM to send invoicing details to JC**

4. Thorndon Quay Wellington

City Council is proposing parking changes on Thorndon Quay to improve safety for cyclists. Deadline 23 March 2010

<http://www.wellington.govt.nz/haveyoursay/publicinput/thorndon-parking.html>

PM and Claire Pascoe (? – please) to put draft submission on CAW website for comment

IK to send info and links to people that have signed up (old petition and GBBD emails)

5. Bikes on Trains

Was mentioned at the Regional active transport forum – bike will be allowed off peak only however hopefully more than 2

It is coming up at GW transport and access committee before August

PM talked to Wayne Hastings at GW there is no formal review of bikes on trains policy.

CAW needs to advocate for a number of things: With the aim of approaching issue from a point of negotiations

Definitions of peak time: eg contra flow ok, shortest time possible, availability of cycle specific trains within peak time, folding bikes are ok

6. Upcoming submission

a. Basin Reserve –

NZTA consultations opening soon (march)– need to have this on the agenda

b. Lower speed limits – island bay and kilbirnie

IK to do submission – opens 8 March

IK to email JB for previous submissions

c. Annual Plans – to be discussed in April meeting

7. CAW website

PM to update meeting location – although we need a new location!

8. update from CAN

CAN have released a press release about Safer Journeys

<http://can.org.nz/media/2010/safer-journeys-welcomed-by-cyclists>

Check out Japanese bike imports – updated on CAW website when available

CP to work with Wellington Girls College for bike to school workshop

9. Workshop for bus drivers

IK to contact SK @ GW to find out where this is at

10. Horokiwi to Ngauranga cycle track

Robin raised that Pronto hires tractors that would fit down the cycle path to sweep it– all that is needed is a sweeper and bucket.

IK rang the Wellington City Council 499 4444 they are to authority responsible for this and should be contacted with respect to this
